First love . . . again

Revelation, the last book of the Bible, holds a certain fascination for people—the fantastic imagery, the obscure numbers and prophecies all give the book an air of mystery. I've enjoyed unraveling some of those mysteries with our **Wednesday evening Bible class**.

We've found that, like the rest of Scripture, this book still speaks to us today. For example, the book begins with letters from Jesus to seven churches, and those letters have much to tell us today.

"I have this against you, that you have abandoned the love that you had at first," Jesus wrote to the church in Ephesus. (Revelation 2:4) Many of us who have been Christians for a long time know what he's talking about. There was a time in our lives when our faith was young and passion for the Lord consumed us. And then, as sometimes happens in marriage, things get in the way. We become distracted by the responsibilities and cares of life. We know that Jesus is always with us, the way he promised, but his presence in our lives doesn't seem as important as it once did. In this letter we hear Jesus talking like a neglected spouse: "You don't love me like you used to."

Is there hope for a relationship when somebody says that? Of course! Keep listening to Jesus: "Repent, and do the works you did at first." (Revelation 2:5)

In the Bible, to "repent" literally means to "change your mind." In repentance we change our way of thinking, we change our priorities. We think differently about the sins that got in the way of our relationship with Christ. In repentance, we turn away from sin and back toward our Savior. And our

Savior, faithful lover of our souls that he is, takes us back. Once again, we feel the rush of love as his forgiving passion renews the bonds that he established when he gave himself for us.

This month we memorialize love on Valentine's Day. On February 6 we'll also observe Ash Wednesday and the beginning of Lent. It's a perfect month, then to think about our first love and to return to him. He's waiting. He's never left.

Help Wanted

Anyone Can Do It—Someone Usually Does

For many years the Pilgrim Ladies Guild has had the privilege of serving the needs of the congregation for the fellowship luncheon after a funeral and at times of celebration for a birthday or anniversary party. While we are grateful for the opportunity and committed to serve (and we know that *anyone* can do it and, yes, *someone* usually does) we need additional help from the congregation. For instance, on the day of the event, *someone* is needed to set the tables in the fellowship hall and prepare food and beverages. Clean up is another area where *anyone* can help. If you are not able to be at the event, someone can provide bars that can be dropped off at the church on the way to work. The Guild hopes to get additional *someones* and *anyone's* to help on an "on call" basis when events come up. Guild membership is not a requirement and men are also invited to participate in all of the needed areas. Please consider the options listed and if *someone* is willing to help, fill out the form below and drop it in the offering plate or mail it to the church office. If *anyone* is willing to serve as a chairman or co-chairman of one of the serving teams, indicate that also. We have names of those who volunteered when we last asked for help – please register again. Thank all you *someone's* and *anyone's*!!

The Touché Tuition Assistance Fund

Everyone is invited to the 4th annual Touché Flemings Tuition Assistance Fundraiser Banquet at Pilgrim on May 3rd at 5:15 p.m. Come for a night of great food, fun, and fellowship. Please be on the lookout for an invitation, check out the website pilgrimonline.net, or please call us at 612-825-5375 for more information on this event and how to donate to this wonderful cause.

Touché Flemings came to Pilgrim Lutheran School in 1st grade. He had cystic fibrosis, which then contributed to his many other illnesses, such as diabetes and more. He was a very sick, little boy but ALWAYS had a SMILE and would talk to everyone. All the children in the school loved him. The Lord called him home on January 25, 1984 at the age of nine. The Tuition Assistance fund was set up in his memory as a constant reminder of Touché and our love for him in Christ. It was also set into place to show our thanks to the Lord for sending him to us. Even though his time with us was brief, we had an incredible opportunity to share the love of Jesus with him and his family. Only a few remember that little boy when he was in our school but we continue the fund in his memory because of his love for Jesus and for Pilgrim Lutheran School. Touché loved to come to school and hear about Jesus.

We must keep building this fund up so we can help families that cannot afford the tuition to attend our school. Some of our additional fund raising efforts (i.e. the Non Public School Marathon, individual donations, Thrivent matching funds, etc.) are added to the Touché Tuition Assistance fund each year, but these are not enough to support the amounts that are needed to reach out to the city and to provide Christian education for all. Last year we gave out more than \$25,000.00 in tuition assistance. We need help from all of you to reach more and more children with the message of salvation. Pilgrim's ministry is your ministry. We are here to reach and teach in the city to a diverse population. It is all of our chance to spread the message across cultures and throughout Minneapolis. Praise be to God! We graciously thank everyone who has given gifts recently and in the past and look forward to new donors into the future. Your gifts are greatly appreciated and will help reach and teach in Christ.

Please help us to reach the city for Jesus! Pilgrim is truly your ministry!
