The Monthly Newsletter of Pilgrim Lutheran Church

3901 First Avenue South, Minneapolis, MN 55409 (612) 825-5375

This year the entire month of March falls inside the church season of Lent. During this forty day period before the celebration of Easter, Christians around the world turn their hearts and minds toward repentance.

On Ash Wednesday we, like members of many other Christian congregations, put a dab of ashes on our foreheads. But real repentance involves more than that. Real repentance takes place in our hearts and shows in our lives. When we repent we confess to our Lord and ask him to help us live for him. Repentance shows, then, when we serve one another, when we help those in need, when we work for justice, forgive those who have wronged us and so on.

When we come to our Lord in repentance, we need not fear. The story of Lent is the story of Jesus' sacrifice on the cross for our forgiveness. That forgiveness will never run out—it is new to us each morning. And as we turn ourselves to show repentance in renewed lives, we need not fear that our source of strength will run out. It is God himself who works through us to do good in his name.

This season, take a moment to reflect upon the meaning of repentance in your life. Here are some Scriptures that will offer guidance:

Isaiah 58:5-12

Real repentance is about changed lives, not ceremonies

Psalms 51

David confesses his sin and finds renewed strength to be a witness for his Lord

Micah 6:6-8

God's goodness inspires us in our daily walk

John 3:7-18

John the Baptist explains what repentance looks like in daily life

May God bless your Lenten journey to the cross!

Peace,
Pastor Pete

Pretzels for Lent

The common pretzel was originally designed for use during Lent. Sometime during the Middle Ages, when Lent was accompanied by strict bans on dairy products and meat, people subsisted largely on breads, pastries, soups and vegetables. *[Just add fruit and that sounds like my normal diet.]*

Bakers in Germany decided to create a food that would even look religious – the pretzel. The crossed arms of a pretzel represent a christian in prayer. Place the palm of each hand on the opposite shoulder, so that your arms cross. That's the shape of a pretzel.

Dear Pilgrim,

The purpose of this note is to let everyone know that I have received a call to be a professor of education at Martin Luther College (MLC) in New Ulm, MN. I received this call on Sunday, February 18. A call is a divinely directed invitation to serve the Lord. This call was not sought by me or courted in any way, shape, or form. Periodically teachers and pastors in the Wisconsin Synod will receive invitations to serve at other congregations throughout the nation and world. A call is extended after a congregation looks over a list of names and qualifications and prays about it asking for the guidance of the Holy Spirit in the choice that they make. After their choice is made they notify the person that was selected, through the power of the Spirit, by phone and mail. Once this has been done the called individual will contemplate the received materials and decide, with much prayer and guidance from the Lord, where he/she can best serve God.

The call to serve as professor of education at MLC includes teaching, student teaching supervision and oversight, and other various leadership responsibilities. MLC is the Wisconsin Evangelical Lutheran Synod's training school for pastors and teachers.

If anyone has any questions or comments concerning this call please contact me at any time. Please keep my family in your prayers and thoughts as we deliberate this call, asking for the Lord's guidance every step of the way! We will make a decision after much prayer and consideration in the next three weeks or so. Thank you for your time and assistance in this matter. Please remember all comments are welcome and appreciated! May the Lord bless and keep us all always.

Your Friend In Christ,
Scott Gostchock

Principal's News

Congratulations are in order, "BIGTIME", to our Pilgrim basketball teams!!

The children took turns entertaining parents, teachers, friends and fans with exciting games all year long and in February finished the regular season in spectacular fashion by winning several championships!!!

The boys B – team finished its second consecutive unbeaten season with a first place trophy in the season ending tournament at West LHS. The girls' B-team also played like champions by getting to the championship game and losing to Christ North St. Paul by one point!! What heartbreak!!! It is the second year in a row that our girls have lost by one in the championship. That game was the only game they lost all year.

The A-team boys also "got the gold", as they defeated Bloomington LES by one point in their championship final game, avenging their only loss of the year. Prospects look bright for next year as there is only one eighth grader on the team and our undefeated 6th graders will be moving up to this team next year. If you have never attended one of our games you are really missing an exciting evening. Watch for the schedules next year and come out and get in on the fun.

It is so nice to have the afternoon Lenten services. The teachers and students can attend these worship services together, a great opportunity to hear God's word and to meet and greet congregation members. Come and join us, everyone is welcome.

School Committee News

School Committee has been going very well this year. I pray that the Lord continues to bless us as we are working together. Currently, we are meeting with several others planning the annual Touché Fleming Tuition Assistance Cottage and Banquet visits set for this April 21st, and 28th. We have planned a great menu, and working on the entertainment. If you know anyone or would like to participate in the program in anyway please feel free to contact myself or any of the other committee members.

Respectfully,

Pilgrim's Art Adventurers

This year the 3-8th graders have been busy with our *Art Adventurers*. We have painted a Fauvist Self-Portrait, used Bold colors, and eye catching patterns in an interior/exterior scene. We learned about Chinese scroll drawings and created colorful landscapes with pastels. We studied optical illusions where we designed a grid Illusion and also created an illusion of depth.

Now we are doing photography. Students are learning terms and techniques that are directly related to working as a photographer. All are using a tripod and camera to photograph a special item important to them. Next, we will be learning about symbols. As a result we will look at the familiar symbols on maps, flags, and letters with new eyes.

Please note the weekend of **April 27 & 28th**. There will be having an Art Show in the gym to display our wonderful achievements of the year. It will be up for both the spring Program and the Touche' Fleming Banquet. Please come and admire the artwork and see the fun & educational things our Pilgrim Art Adventurers have done.

Pilgrim Ladies Guild

Minutes – February 7, 2007

The Ladies Guild met on Wednesday, February 7, 2007. Our President, Doris Belsaas, opened with prayer. We enjoyed our lunch and cake while we visit with each other.

Pastor Leyrer showed us slides of his recent trip to China. He told us of the wonderful work of the teachers in China. He had a very funny story for us about a side trip he took to another city. The slides showed us how difficult life is in China and how very different their lives are. The Lord is working in wonderful ways in China.

Doris opened the business meeting. Our next meeting will be **March 7th at 11:00**. This is because some ladies like to attend Lenten service at 1PM.

Our servers today were Lue Rogers, Dorothy DeYoung, and Phyllis Martin.

The servers for coffee hour for February are Lue & Norm Rogers, Lorraine & Dick Ahlberg, Mary Jean & Bob Florin, & LaVonne Vrchota.

We sang Happy Birthday to our honorees. They are: Evelyn Cochran, Eldora Danner, Amanda Anderson, Rachel Homan, Violet Lowery, Nettie Fellows, & Sara Homan. Then we sang "As With Gladness Men Of Old"

There will be a benefit concert for Tim Helmen on March 9th at Bloomington Lutheran Church. Pilgrim families are arranging for meals to be brought to the Helmen family.

We have received information that East Fork High School in Arizona will close. However the grade school will stay open.

Evangelism Committee

Committee Notes

January 31, 2007

We discussed developing an Annual Evangelism Calendar of Events. Galen will develop such. Cory introduced committee members to the Pilgrim Proclaimer. We discovered that members aren't aware of this project. We discussed ways to enhance this monthly flyer that goes out to the Pilgrim Neighborhood. Bob Gunderson & Cory Bandelin will work together on this project.

Shari Emde has been looking into a Tract Ministry here at Pilgrim. Committee members will look into seeing what we have in our narthex track board and 39th street entrance track board and evaluate such. Old and outdated materials should be tossed and replaced with new and updated tracks. We'll look at Northwestern Publishing House, Concordia Publishing House and Augsburg/Fortress Press for possible tract ideas. We'll report back to the February meeting. We'll also order some to look at.

We discovered that we have a budget of \$1,500 and will continue with the same for next year's budget.

Sherry Schochenmaier read the secretary's report. It was accepted as read. LaVonne Vrchota read the Treasurer's report. It was accepted as read.

...Committee Notes Con't

Galen mentioned the possibility of having quarterly planning meetings that might last a half hour longer than the regularly monthly one hour meetings. People who are involved in coordinating an evangelism event could attend the monthly meeting prior to the event to let us know how their plans are going. Event coordinators wouldn't have to attend the regular monthly meetings.

Evangelism committee meeting information will be published in the monthly Pilgrim Newsletter.

Cory brought up developing a Prayer Chain. He mentioned he was involved in a successful one at another church.

Galen will look into "Sharing Friends with Jesus" Bible Class materials. Pastor Robinson was going to give him a copy of his paper copy of such.

Glen W. Sommer - Evangelism Chairman

Follow-up – Evangelism Committee Notes

Pilgrim's Evangelism Committee meets Wednesday 2/28/07 in the church library after the Midweek Lenten Service. The meeting will last one hour. Anyone is welcome.

Come with ideas. If one isn't able to commit to a monthly meeting, maybe one might be willing to help out with an evangelism event. We're planning to show "The Passion of the Christ" on Sunday March 25th at 6:30 p.m. at Pilgrim. Anyone interested in helping out for this event should attend. If interested call me at 612-872-8265 or email me at galensommer@aol.com or just show up. Galen W. Sommer, Chairman

This letter was passed along to me last fall by Pauline Jorgenson who lives in the same building as the writer's son, Les and Betty Wied.

{It's a wonderful letter of courage and faithfulness to the Lord.}

October 2006

Dear Friends at Pilgrim,

Greetings (via email) from Central Asia. I heard you will be viewing the movie "End of the Spear." If it were only possible it would be great to be with you in person to share some stories and experiences of my time in the jungle with the Wadoni People. Having lived in Shell, Ecuador and served there with Mission Aviation Fellowship I am very familiar with many of the characters represented in the movie. The majority of them, who are still living, I have had the honor to transport in my airplane.

The events surrounding what happened at Palm Beach is indeed a gripping story and becomes even more so after being there, where it all took place. I could tell you of taking refuge in Dayuma's house on a rainy afternoon watching as the stringy fibers of freshly boiled leaves were being separated to be used for weaving, the smoke swirling from the fire pit in their "living room," a few monkey skulls dangling from the rafters along with assorted hunting equipment, a cluster of bananas with a macaw contentedly gnawing away and of course a sleepy dog and monkey napping haphazardly alongside other common place jungle house items.

Some of the most stirring memories come from Dewy and Minkaye, both who were members of the spearing party that took the lives of the missionaries. Whenever the airplane would land at the village, Dewy would drop what he was doing and make the long walk to the airplane. It was very moving to have Dewy point to the sky (as in let's talk to God) and then begin to pray out loud in his native Wadoni language, praying in sincerity and earnest to the same God I had come to know in a very different setting. To me it was a real life example of how God is no respecter of people, language or culture. He desires all to come to Him no matter what they have done.

Minkaye, being around him I got the deep sense of man eternally changed, always very good natured, happy, content and following "God's Carvings." One drizzly late afternoon as I was about to fly Steve Saint back to Shell, I was profoundly moved as the two men stood underneath the wing of the airplane, Minkaye put one hand on the shoulder of Steve Saint and lifted the other heavenward as he prayed prior to our departure for Shell. There truly is a deep family bond between Minkaye and the Saint family!

Finally, Tehmenta, (the son of "George") who was spared from being buried alive with his dying father. As we were in the airplane getting ready to take off from the jungle airstrip, I asked someone to pray for our flight. Steve Saint asked Tehmenta to pray, and translated during the prayer. I was amazed at the spiritual insight revealed in his prayer as he asked God to go before us, acknowledging HIM as the one who could see what would happen, that would arrive safe as the airplane and pilot would be guided by His wisdom and grace.

In closing my hope is that you would feel a part of God's work going on in the jungle (and Central Asia) as You have shared in partnership with the work of Mission Aviation Fellowship. God Bless You!

With much gratitude and in His love, Bruce Wied

LENTEN SACRIFICES

February 21 is Ash Wednesday. Our chancel areas will change, the Hallelujahs will cease, our work load will increase. Lent is one of the most special times of the Church Year. It gives us the privilege of intentionalizing the sacrificial work of our one and only Savior, Jesus.

In response to this wonderful gift of God's grace, as believers we have the privilege of responding to God's goodness with our lives. Romans 12 summarizes it well: *"Therefore, I urge you, brothers, in view of God's mercy, to offer your bodies as living sacrifices, holy and pleasing to God—this is your spiritual act of worship."* As living sacrifices God empowers us to willingly offer our entire selves to him.

I have mentioned it previously – it is worth stating again. Stewardship is our life as Christians. We cannot isolate our financial gifts, or our time gifts, or our talent gifts as our sole sacrifice to our Savior. "I am already serving on the "___" board. That is my gift to God. I don't need to do anything else." Stewardship is the combination of every fiber of our being, joyfully returning to God the best we have to offer in every facet of our lives.

That holds true as individuals and congregations. Be living sacrifices as you serve your families, your employment, and your church. Give your best, not only during Lent, but during our lives. God will give us the strength through his empowering word to *"offer your bodies as living sacrifices, holy and pleasing to God—this is your spiritual act of worship."*
