SERVING OUR NEIGHBORS. SHARING THE GOOD NEWS.

*Pilgrim Lutheran Church is located at the corner of 39th Street and 1st Ave. S, just minutes from your door! Pilgrim is the Minneapolis church and school family who desires to serve you, educate you and your children, and apply the talents of Christ's people to build up the city.*

## Mistakes

Jesus was the perfect son of God. Jesus was also a human *just like* you or me. That means that he was subject to sin. He didn't sin, but he was subject to the sin that was already everywhere in the world. He was the son of a carpenter. Did he ever hit his thumb with a hammer? Probably. Did he ever stub his toe? There's a good chance. Did he ever get into a tussle with his brothers? What truly human child hasn't?

This means that Jesus made "mistakes." They weren't sins. They were the result of sin in the world. It affects us all.

Do your mistakes weigh you down? Are there days when you feel like you can't go on? Jesus felt that way too. Take a look at the story of Jesus in the Garden of Gethsemane (Luke 22:39-46).

In these times, remember that you have a friend who can relate to you because he was *just like* you. But Jesus wasn't just any friend. Jesus was also the son of God. That means that he had the power to die and rise again in your place!! That means that death has been conquered and that there's a door in heaven with your name on it. Jesus can take your burden. He has forgiven your sins. Read his word and trust in him and be free from the burden of your mistakes!!
