Who Was Touché Flemings?

Touché Flemings came to Pilgrim Lutheran School in first grade. He had cystic fibrosis which then contributed to his other illnesses such as diabetes, etc. He was a very sick little boy but ALWAYS had a SMILE and would talk to everyone. Touché loved to come to school and all the children in the school loved him.

The Lord called him home on January 25, 1984 at the age of nine. The Tuition Assistance fund was set up in his memory as a constant reminder of Touché and our love for him. Thanks to the Lord for sending him to us even though his time with us was brief. Only a few remember that little boy when he was in our school, but we will continue the fund in his memory because of his love for Jesus and for Pilgrim Lutheran School.

We want to keep building this fund so we can help families that cannot afford the tuition to attend our school. Some of the church's fund-raising efforts (i.e. the Non Public School Marathon) are added to the Touché Tuition Assistance fund each year, but these are not enough to support the amounts that are needed each year. We need help from you. We graciously thank everyone who given gifts recently and in the past. All gifts are greatly appreciated.
